Section IV
Requested Modifications to the Sewer Overflow Action Plan

CONSENT DECREE SECTIONS XII
PARAGRAPHS 29- 31
PREVENTIVE MAINTENANCE PROGRAM

Paragraph 29: Allows the Board to submit to EPA a Request for Modification of the Sewer Overflow Action Plan together with the Annual Report on sewer overflow action activities. The request shall describe the modification begin requested, new information or data supporting the modification, and how the modification would improve the Sewer Overflow Action Plan.

MODIFICATION REQUESTED

The Board is not requesting any modifications to the Sewer Overflow Action Plan at this time.
